

## DUAL PEDESTAL CONSOLE

### Pedestal Console with Dual 24" Display System

The Hexagon US Federal Dual 24" Rugged Pedestal Console provides a long history of field proven durability serving multiple application platforms ranging from damage control to video alarm and surveillance.

The console provides a free standing, deck mounted design with an integrated backlit keyboard and trackball. The console boasts dual 24-inch LED backlit display systems and amplified integrated dual speaker system to provide system alerts for critical alarm systems.

The console provides a lockable front door for internal I/O from either remote computer systems or locally mounted TD-R™ 4000B series computer systems.

### CONSOLE CONSTRUCTION

- Aluminum and stainless steel construction
- Bolted component support providing enhanced structural reliability for truly rugged environments
- Power Coat Paint finish

### ENVIRONMENTAL

- Operating Temperature: -10° to +65° C
- Storage Temperature: -20° to +80° C
- Relative Humidity: 0 to 95% non-condensing
- Designed to Meet:
  - Shock: MIL-S-901D Grade A
  - Vibration: MIL-STD-167-1
  - EMC: MIL-STD-461F
  - Airborne Noise: MIL-STD-740-1
  - Inclination: MIL-E-16400G

### CONSOLE FEATURES

- Free standing, deck mounted
- Deck or rear cable entry featuring Roxtec® sealing glands for positive mechanical strain relief and EMC risk mitigation.

- Lockable front door featuring secure, convenient access to internal I/O
